To: The Shareholders of Bonia Corporation Berhad

Dear Sir/Madam,

**PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE
TO ENABLE BONIA CORPORATION BERHAD TO PURCHASE
UP TO 10% OF ITS TOTAL NUMBER OF ISSUED SHARES ("Proposed Share Buy-Back")**

1. INTRODUCTION

Our Company had on 22 August 2019 announced to BMSB that Bonia proposes to seek our shareholders' approval for the Proposed Share Buy-Back at the forthcoming 28th AGM to renew the authorisation for share buy-backs granted by our shareholders in the 27th AGM of our Company held on 26 November 2018.

The purpose of this Circular is to provide you with details of the Proposed Share Buy-Back and to seek your approval for the ordinary resolution pertaining to the Proposed Share Buy-Back to be tabled at the forthcoming 28th AGM.

SHAREHOLDERS ARE ADVISED TO READ AND CONSIDER THE CONTENT OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED SHARE BUY-BACK.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back involves Bonia purchasing not more than 10% of our own shares through the stock exchange of BMSB in accordance with Section 127 of the CA2016.

Pursuant to Chapter 12 of the MMLR:

- (1) the maximum number of Bonia Shares that may potentially buy-back by our Company under the Proposed Share Buy-Back (including treasury shares, if any) is 80,628,740 Bonia Shares representing 10% of the total number of issued shares of our Company of 806,287,400 ordinary shares as at the LPD.
- (2) our Company must ensure that all the purchases of our own shares under the Proposed Share Buy-Back are made wholly out of Bonia's (not out of the Group) retained profits only. For reference purposes, Bonia's retained profits stood at RM45,218,412 in the latest audited financial statements of our Company for the FYE 30 June 2019.
- (3) our Company may only purchase our own shares under the Proposed Share Buy-Back at a price which is not more than 15% above the weighted average market price for the shares for the 5 market days immediately before the purchase.
- (4) in the case of a resale of the Purchased Shares that are held as treasury shares, Bonia may only resell such treasury shares on BMSB at:
 - (i) a price which is not less than the weighted average market price for the shares for the 5 market days immediately prior to the resale; or
 - (ii) a discounted price of not more than 5% to the weighted average market price for the shares for the 5 market days immediately before to the resale provided that:
 - (a) the resale takes place no earlier than 30 days from the date of purchase; and
 - (b) the resale price is not less than the cost of purchase of the Shares being resold.

Accordingly, the Proposed Share Buy-Back will only be implemented after our Board's careful evaluation of the prevailing market conditions, the availability of the financial resources and the pricing parameters for such purchases as governed by the MMLR.

On 01 October 2019, our Adviser, TA Securities Holdings Berhad, had on behalf of our Board, announced to BMSB that Bonia proposes to seek our shareholders' approval for the consolidation of every 4 existing Bonia Shares held by the shareholders of Bonia on an entitlement date to be determined later ("Entitlement Date"), into 1 consolidated share ("Proposed Share Consolidation") at an extraordinary general meeting to be convened.

As at the LPD, the issued share capital of Bonia is RM201,571,850 comprising 806,287,400 Bonia Shares (inclusive of 16,882,400 Bonia Shares held as treasury shares by our Company). For illustration purpose, upon completion of the Proposed Share Consolidation, the issued share capital of our Company shall be RM201,571,850 comprising 201,571,850 consolidated shares (inclusive of 4,220,600 consolidated treasury shares).

In the event that the Proposed Share Consolidation is implemented –

- for illustration only, the maximum number of Bonia Shares that may potentially buy-back by our Company under the Proposed Share Buy-Back (including treasury shares, if any) is 20,157,185 Bonia Shares representing 10% of the total number of issued shares of our Company of 201,571,850 ordinary shares post-Proposed Share Consolidation; and
- it is not expected to cause any changes to the percentage shareholding of each Director and/or Major Shareholder in our Company as presented herein, other than non-material changes due to fractional rounding.

3. FUNDING

The Proposed Share Buy-Back will be financed through internally generated funds and/or external borrowings that are backed by an equivalent amount of the retained profits of Bonia as disclosed in Section 2 above, the proportion of which will depend on the quantum of purchase consideration as well as the availability of the internally generated funds and/or external borrowings at the time of purchase(s).

In the event Bonia decides to utilise external borrowings to finance the Proposed Share Buy-Back, our Company will ensure that we have sufficient financial capability to repay the external borrowings and that the external borrowings will not have any material impact on the financial position of our Company.

4. TREATMENT OF THE SHARES PURCHASED

The Bonia Shares purchased by our Company will be dealt with by our Board in accordance with Section 127 of the CA2016 in the following manner:

- (1) to cancel the Shares so purchased;
- (2) to retain the Shares so purchased as treasury shares for distribution as “share dividends” to the shareholders of our Company, or resell any of the Shares so purchased on BMSB in accordance with the relevant rules of BMSB, or transfer any of the Shares so purchased for the purposes of or under an employees’ share schedule, or transfer any of the Shares so purchased as purchase consideration, or sell, transfer or otherwise use any of the Shares so purchased for such other purposes as the Minister may by order prescribe; or
- (3) to retain part of the Shares so purchased as treasury shares and cancel the remainder.

While the Shares so purchased are held as treasury shares, the treasury shares shall not be taken into account in calculating the number or percentage of shares or a class of shares in our Company for any purposes including, without limitation to the generality of the provisions of any law or requirements of the Constitution of our Company or the MMLR on substantial shareholdings, takeover, notices, the requisitioning of meetings, the quorum and the result of a vote on a resolution at a meeting of shareholders. However, this does not prevent an allotment of Shares as fully paid bonus shares in respect of the treasury shares; or a subdivision of any treasury shares into treasury shares of a larger number, or consolidation of any treasury shares into treasury shares of a smaller number.

5. VALIDITY OF THE PROPOSED SHARE BUY-BACK

The authorisation for the Proposed Share Buy-Back, if obtained, shall continue to be in force until:

- (1) the conclusion of the next AGM of our Company following the general meeting at which the Proposed Share Buy-Back was passed at which time it will lapse, unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
 - (2) the expiration of the period within which the next AGM after that date is required by law to be held; or
 - (3) revoked or varied by an ordinary resolution passed by our shareholders in a general meeting;
- whichever occurs first.

However, such authorisation does not impose an obligation on our Company to purchase our own shares within the abovementioned time period.

6. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back, if implemented, will enable our Company to utilise our financial resources which are not immediately required for use, to purchase our own shares. It may help to stabilise the supply and demand and price of Bonia Shares traded on BMSB, thereby supporting the fundamental value of the Bonia Shares.

It is expected to increase the earnings per share of our Company in the event the purchased Bonia Shares are cancelled, which in turn is expected to benefit the shareholders of our Company.

Apart from it, Bonia will have the opportunity to distribute the treasury shares as dividends, thus benefiting our shareholders. In addition, the treasury shares may also be resold on BMSB at a price higher than the purchase price, thereby realising a potential gain for our Company.

7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will provide our Company with the opportunity to take pre-emptive measures if need be, to stabilise the supply and demand of Bonia Shares in the open market, thereby allowing the price of Bonia Shares to better reflect our fundamental value. The maintenance of the share price is important in order to maintain investors' confidence to facilitate our Company's future fund raising exercise via issues of equity shares, should there be any such exercises in future. In addition, the Proposed Share Buy-Back will also provide an opportunity for Bonia to make a gain when our Company resell the purchased Bonia Shares for cash when market conditions improve.

The Proposed Share Buy-Back, if implemented, will however, reduce the financial resources of Bonia Group and may result in our Company foregoing any investment opportunities arising in the future or any interest income that may be derived from depositing such funds with interest bearing instruments.

In view thereof, the Proposed Share Buy-Back will be implemented by our Board only after careful consideration of the financial resources of Bonia Group as well as the resultant impact on Bonia Group and the shareholders of our Company.

8. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

8.1 *Issued and Paid-up Share Capital*

The Proposed Share Buy-Back will have no effect on the issued and paid-up share capital of Bonia if all Shares purchased by our Company are held as treasury shares and/or distributed as dividends. However, if our Board decided to cancel the Bonia Shares held in treasury, the issued and paid-up share capital of our Company will be reduced by the number of Shares so cancelled.

In the event that the maximum number of shares representing 10% of the total number of issued shares of Bonia are repurchased in full and cancelled, the pro forma effect on our Company's issued and paid-up capital is illustrated below:

	After Proposed Share Buy-Back		After Proposed Share Buy-Back, and Proposed Share Consolidation ⁽¹⁾	
	No. of Bonia Shares	RM	No. of Bonia Shares	RM
Issued and paid-up share capital as at the LPD	806,287,400	201,571,850	201,571,850	201,571,850
Less: Maximum number of Bonia Shares that may be purchased and cancelled under the Proposed Share Buy-Back	(80,628,740)	(20,157,185)	(20,157,185)	(20,157,185)
Resultant issued and paid-up share capital	725,658,660	181,414,665	181,414,665	181,414,665

Note:

(1) Assuming the Proposed Share Consolidation is implemented

8.2 *Net Assets (“NA”)*

The effect of the Proposed Share Buy-Back on the NA per share of Bonia Group will depend on the quantity and purchase price of the Bonia Shares so purchased, the effective funding cost thereof as well as our Board’s decision whether to retain the Purchased Shares as treasury shares or to resell them on BMSB.

If the Purchased Shares are retained as treasury shares, the effect of the Proposed Share Buy-Back on the NA of the Bonia Group would be as follows:

- (1) the NA would decrease by the quantum of the cost of the treasury shares due to the requirement that the treasury shares were held at cost and be offset against equity;
- (2) the NA would increase if our Company realises a gain from the resale of the treasury shares and vice versa;
- (3) the NA would decrease by the quantum of the cost of the treasury shares if the treasury shares were distributed as share dividends; and
- (4) the NA per share would decrease if the purchase price exceeds the audited NA per share of the Bonia Group at the time of the purchase and conversely the Proposed Share Buy-Back will increase the NA per share of the Bonia Group if the purchase price is less than the audited NA per share of the Bonia Group at the time of purchase.

8.3 *Working Capital*

The Proposed Share Buy-Back, as and when implemented, will reduce the working capital of the Bonia Group, the quantum of which depends on the quantity and purchase price of the Bonia Shares so purchased and the effective funding cost thereof.

The working capital of our Company will increase upon the resale of our treasury shares, the quantum being dependent on the actual selling price of the treasury shares and the quantity of the treasury shares resold.

8.4 *Earnings*

The effect of the Proposed Share Buy-Back on our Company’s consolidated earnings per share (“EPS”) is dependent on the quantity and purchase price of the Bonia Shares so purchased and the effective funding cost thereof.

Where the Purchased Shares are held as treasury shares and/or cancelled subsequently, the EPS of the Bonia Group may increase as a result of the corresponding reduction in the issued and paid-up share Capital of our Company.

8.5 *Dividends*

Barring any unforeseen circumstances, our Board does not expect the Proposed Share Buy-Back to materially affect any declaration or recommendation of dividends by our Company. The actual dividend rate to be declared and paid will depend on, inter alia, the actual results of Bonia Group, its cash reserves, capital commitment and future funding requirements. Nonetheless, if the Shares so purchased are retained as treasury shares, the dividend rate will also be increased with the suspension of the rights attaching to the treasury shares as to dividend entitlement. Moreover, the treasury shares so purchased may be distributed as dividends to shareholders of our Company if our Company so decides.

8.6 Shareholdings of Directors and Substantial Shareholders

Shares bought back by Bonia under the Proposed Share Buy-Back that are retained as treasury shares will result in proportionate increase in the percentage shareholdings of our Directors and Substantial Shareholders in Bonia.

Based on the Record of Depositors, Register of Directors' Shareholdings and Register of Substantial Shareholders of our Company as at the LPD and assuming the Proposed Share Buy-Back is implemented in full and that the Purchased Shares are from the shareholders other than our Directors and Substantial Shareholders in Bonia, the effect of the Proposed Share Buy-Back on the shareholdings of our Directors and Substantial Shareholders of Bonia is illustrated below:

- (3) Negligible
- (4) The shareholdings are based on the issued shares of our Company after deducting 16,882,400 treasury shares as at the LPD
- (5) Assuming the Proposed Share Consolidation is implemented

9. PUBLIC SHAREHOLDING SPREAD

Our Board will take cognizance of the requirements of the MMLR that any purchase of Bonia Shares by our Company must not result in the public shareholding spread of Bonia falling below 25% of our total number of issued shares (excluding treasury shares, if any).

The public shareholding spread of our Company based on the Record of Depositors as at the LPD was approximately 29.26%. Assuming our Company implements the Proposed Share Buy-Back in full, and on the basis that all the purchases are from the market from shareholders of Bonia who are deemed public, held as treasury shares and the shareholdings of our Company's Directors, Substantial Shareholders and their Persons connected remained unchanged as at the LPD, the pro forma public shareholding spread of Bonia will decrease to approximately 23.05%.

10. IMPLICATIONS RELATING TO THE RULES

Pursuant to the Rules, where a person and/or his persons acting in concert obtains control in a company, i.e. the stake in a company is increased beyond 33%, or if his/their existing shareholding is between 33% to 50% and increases by more than 2% in any 6 months period, the affected person and/or his persons acting in concert will be obliged to undertake a mandatory offer for the remainder shares not already held by him/them. However, an exemption to undertake a mandatory offer may be granted by the Securities Commission Malaysia under the Rules, subject to the affected person and/or his persons acting in concert complying with certain conditions as specified in Paragraph 4.15 of the Rules.

In the event that the Proposed Share Buy-Back is carried out in full and resulting the equity interest of any of our Company's substantial shareholder and/or his persons acting in concert to trigger the Rules, he and/or his persons acting in concert may apply to Securities Commission Malaysia for an exemption to undertake a mandatory offer for the remainder Bonia Shares not held by him/them collectively.

11. PURCHASE, RE SALE OR CANCELLATION OF TREASURY SHARES IN THE PRECEDING 12 MONTHS

Apex Marble Sdn. Bhd. and Mcore Sdn. Bhd. vs Leong Tat Yan

The 60% owned subsidiaries of the Company, Apex Marble Sdn. Bhd. ("AMSB") and Mcore Sdn. Bhd. ("Mcore") (collectively referred as "the Plaintiffs") had filed a civil suit on 3 August 2011 against Leong Tat Yan ("the Defendant"). AMSB and Mcore claimed against Leong Tat Yan for a sum of RM946,000 and RM2,250,000 respectively, being the proceeds of sale from the joint venture business owed by Leong Tat Yan.

Leong Tat Yan owns 40% of the equity interest in AMSB and he is also a controlling shareholder of 388 Venture Corporation Sdn. Bhd. which owns 40% of the equity interest in Mcore.

There are losses of RM5,389,000 arising from the dispute of which management had made the necessary impairment in the previous financial year. The losses includes impairment loss of trade receivables amounting to RM3,196,000 and inventories written off of RM2,193,000 (before non-controlling interest's share of loss).

The Plaintiffs filed a Notice of Appeal on 9 April 2013 against part of the decision of the High Court dated 27 March 2013 in connection with the service of Writ of Summons and Statement of Claim on the Defendant. The Defendant also filed a Notice of Appeal against part of the decision of the High Court dated 27 March 2013 in connection with jurisdiction and forum.

On the hearing date of 8 July 2013, the Court of Appeal allowed the Defendant's appeal with costs of RM10,000 and the Plaintiffs' appeal was accordingly withdrawn with no order as to costs as it was no longer sustainable.

After discussing with their legal advisors, the Plaintiffs (also referred to as 'Applicants') had on 7 August 2013, filed a Notice of Motion in the Federal Court for the following orders:

- (i) the Applicants be granted leave to appeal to the Federal Court against the whole of the decision of the Court of Appeal given on the 8 July 2013 in Civil Appeal No. W-02(IM)(NCVC)-797-04/2013 pursuant to Sections 96 and 97 of the Courts of Judicature Act, 1964 read with Rules 55, 107 and/or 108 of the Federal Court Rules, 1995 and/or the inherent jurisdiction of the Federal Court.
- (ii) in the event that leave to appeal is granted by the Federal Court, the Applicants be granted leave to file and serve a Notice of Appeal to the Federal Court within 7 days from the date of the order pursuant to Rule 108 of the Federal Court Rules, 1995.
- (iii) the costs of the application filed by the Applicants be costs in the cause.
- (iv) such further or other relief of the Federal Court may deem fit.

Leave to appeal to the Federal Court was granted on 29 January 2015.

On the hearing date of 9 November 2015, the Federal Court allowed the Applicant's appeal and set aside the Court of Appeal's Order dated 8 July 2013 in whole, thereby reversing the Court of Appeal's decision that the High Court has no jurisdiction over Leong Tat Yan.

The Plaintiffs had on 31 October 2016 filed a Writ of Summon and Statement of Claim against the Defendant and served the same on the Defendant on 2 November 2016.

On 21 November 2016, the Defendant filed two (2) separate applications for a declaration that the Malaysian Court has no jurisdiction over the Defendant and for consequential relief (Enclosure 10), and for a declaration that the Malaysian Court is not the appropriate forum to try the Plaintiffs' claim and consequently for a stay of proceedings (Enclosure 11).

On 16 December 2016, the Defendant filed two (2) separate applications to strike out the Writ of Summons dated 31 October 2016 for lack of authority (Enclosure 20) and for a stay of proceedings pending arbitration (Enclosure 22).

On 25 January 2017, the Defendant withdrew Enclosure 20 with no order as to costs.

On 25 April 2017, the High Court dismissed Enclosures 10 and 11 with costs of RM5,000 for each enclosure.

On 3 May 2017, the Defendant filed two (2) appeals against the High Court's decisions on Enclosures 10 and 11 ("Appeals"). On 8 May 2017, the Defendant filed an application to stay the proceedings pending the disposal of the Appeals (Enclosure 43).

On 11 May 2017, the Defendant filed two (2) separate applications for an extension of time to file his Defence (Enclosure 47) and to strike out the Writ of Summons for abuse of process (Enclosure 50).

On 23 May 2017, the Judge dismissed Enclosure 43 with costs of RM1,500. The Judge also granted Enclosure 47 with no order as to costs, and directed the Defendant to file his Defence by 23 June 2017. The Defendant also withdrew Enclosure 50, which was accordingly struck out with no order as to costs.

On 22 June 2017, the Defendant filed his Defence and Counterclaim claiming general damages, exemplary damages, and costs for abuse of process. The Plaintiffs filed their Reply and Defence to Counterclaim on 24 July 2017.

On 17 October 2017, the Court of Appeal dismissed the Appeals with costs of RM5,000 for each appeal.

On 5 January 2018, the High Court allowed Enclosure 22 and stayed the suit pending reference of the dispute to arbitration with costs of RM5,000 to follow the outcome of the arbitration.

On 26 January 2018, the Plaintiffs appealed to the Court of Appeal against the High Court's decision on Enclosure 22.

On 26 June 2018, the Court of Appeal allowed the appeal on Enclosure 22 with costs of RM15,000 for the Court of Appeal and High Court proceedings.

On 3 July 2018, the Defendant applied for leave to the Federal Court to appeal against the Court of Appeal's decision on Enclosure 22.

On 20 July 2018, the Plaintiffs filed an application to stay the proceedings pending the disposal of the Federal Court proceedings (Enclosure 7).

On 30 July 2018, the Plaintiffs filed an application for security for costs (Enclosure 13). The hearing of Enclosure 7 and Enclosure 13 has been fixed on 8 October 2018.

The Defendant's application for leave to appeal to the Federal Court against the decision of the Court of Appeal is fixed for hearing on 21 November 2019.

The solicitors are of the opinion that the prospects of successfully resisting the Defendant's leave application in the Federal Court are fair.

The Directors are of the opinion, after taking appropriate legal advice, that no provision for abovementioned claims is necessary.
